

GARANTI BANK S.A.

Standard tariffs and commissions for Corporate customers

08.August .2025

General conditions

- Standard Fees and commissions below are charged for transactions processed by the Bank.
- Some transactions that involve participation of other banks may generate additional costs which will be separately supported by the client.
- Additional services and other costs, not mentioned in this document, will be charged separately from the client.
- The Bank reserves the right to change periodically the commission pricing, communicating it to its clients according to the law in force and by posting it at Bank's offices as well as on the Bank's website.
- Considering the transactions volume, the Bank can charge different fees.
- Value Added Tax (VAT) is charged according to law and it's not a Bank's cost; VAT value is subject to modifications according to legal provisions.
- Definitions:
 - Corporate clients: companies with annual turnover (at year end) of more than EUR 10,000,000
